

Peer Educator Code of Ethics

I value my role as a peer educator and in order to best fulfill that role, I will:

1. **Respect** individual differences, including choices people make that may not be my own.
2. Act as a **role model**, making healthy choices and being true to myself.
3. **Honor diversity** in all its forms.
4. Maintain **confidentiality**.
5. **Learn** as much as possible about the issues that affect my peers.
6. Only **offer information** that I am qualified to offer and with the greatest accuracy possible.
7. **Follow through** on my word and promises.
8. **Meet clients where they are at** in their journey towards healing and positive change.
9. **Accept supervision and support** from others.
10. Not allow my peer educator duties to put my emotional or physical well-being at risk.

I value and know who I am...

I am an individual, a caring helper, an educator, a role model.

I am a Peer Educator.
