

Two-Part Webinar Series:

Part 1: STD Treatment Update: Chlamydia, Gonorrhea, Herpes and Syphilis

Thursday, January 26, 2012
12:00 PM – 1:30 PM (Pacific Time)

Part 2: Follow-up to STD Treatment Update: Q&A and Case-Based Presentations

Wednesday, February 15, 2012
12:00 PM – 1:30 PM (Pacific Time)

About this Webinar

The Centers for Disease Control and Prevention (CDC) released updated Sexually Transmitted Diseases (STD) Treatment Guidelines in December 2010. As a follow-up to our webinar on the 2010 STD Treatment Guidelines, Cardea will be hosting two events focused on chlamydia, gonorrhea, herpes and syphilis.

The first event will feature presentations on the treatment of these STDs and significant opportunity for dialogue with an expert panel from the Seattle STD/HIV Prevention Training Center. After the first event, we will solicit additional questions from you, and, during the second event, the expert panel will answer your questions, do case-based presentations, and offer clinical consultation on the prevention, diagnosis, management and treatment of chlamydia, gonorrhea, herpes and syphilis..

Learning Objectives

Part I – STD Treatment Update: Chlamydia, Gonorrhea, Herpes and Syphilis

At the close of this webinar, participants will be able to:

- Describe current recommendations for treating chlamydia, gonorrhea, herpes and syphilis, as outlined in the CDC's Sexually Transmitted Diseases Treatment Guidelines, 2010.
- Discuss antimicrobial resistance in gonorrhea and other STDs.

Part II – Follow-up to STD Treatment Update: Q & A and Case Presentations

At the close of this webinar, participants will be able to:

- Explain a management plan for selected clinical issues and special considerations related to chlamydia, gonorrhea, herpes and syphilis.

Who Should Attend

This webinar is designed for all clinicians and staff who work with patients on family planning, reproductive health, STD and HIV issues.

Fees

The webinar registration fee is per phone line/web connection. Please complete a separate registration form for each phone line/web connection for your agency. You can attend the Complete Series, Part I only or Part II only.

- **Complete Series (Parts I and II):** \$30 per site location with one Leader (may include multiple listeners).
- **Part I ONLY:** \$25 per site location with one Leader (may include multiple listeners).
- **Part II ONLY:** \$25 per site location with one Leader (may include multiple listeners).
- **Additional Fees for Continuing Education:** An additional \$15 fee will be charged for each webinar for each participant requesting a continuing education certificate (\$30 to receive continuing education for both webinars in the series).

Webinar Cancellation/Refund Policy

In order to receive a refund of their webinar registration fee, participants must cancel their registration prior to the date of the event.
